Reaching The Unreached, Sunday 5th May

We'll be in the hall after 9.30 Mass and will be selling a variety of plants to enhance your summer gardens.

Thanks for your support. John Duffy and Karen Spriggs

A very special thank you to those who donated packs of pencils, crayons, stationery and small gifts that were taken out for the children in the Children's Villages at RTU and the children in surrounding villages. It was wonderful to see the joy and happiness of the children in these poorest villages and to see the huge impact RTU has.

Celebrate the past and look to the future.

Date for your diary Friday 21st June at 7.00pm

I wanted to thank so many of you for attending interviews to help us formulate our new strategy for St. Mary's that will help us achieve our vision to be a growing, shining example of Love and Service to God, the community, and each other through Jesus Christ. Your insights through the sixty interviews informed most of the strategy, so we believe it's very much a 'Parishioner's Plan'. We have even started work on many of the ideas you have suggested.

You will be pleased to hear we are not rushing to change anything. We have an amazing church already. That said, there are important things we do need to change and add to set ourselves up for the future. We will be adopting a gentle and considered approach with the changes we propose.

You are invited to a special event to Celebrate St. Mary's Church where we will be presenting our strategy that we believe will create a Fruitful Future. With an opportunity for you to share your views on what we are proposing. The presentation and feedback session will be held in the church followed by a cheese and wine social event in the hall.

We are also live-streaming the presentation and feedback through YouTube
